Purpose

The purpose of the Club is to encourage and promote masters athletics, general fitness and to provide training and competition. Membership is open to men and women aged 30 years and older.

We have a comprehensive annual program that provides the opportunity for members to participate in weekly runs and walks, as well as track and field competition. The social aspect is also important and many members enjoy a picnic breakfast after the Sunday races.

The format of the events allows contestants to be as competitive or as social as they choose. Competition is conducted in gender and age groups, in five yearly increments, starting at W30 and M30.

The Club is run by a small committee and is dependent on many volunteers such as race directors, marshals, time recorders and helpers of all kinds.
