

## 2018 MEMBERSHIP FORM

**Substantial changes are being made to the membership form. Please read carefully.**

- Membership form will be online only
- Everyone must register as an individual
  - ❖ There is provision for couples to pay for both memberships with one card transaction. Just before the payment stage you can click on a tab to add another registrant.
  - ❖ All individual fees are reduced by \$5 so 2 people will only pay a total of \$5 more in 2018, compared to their joint membership of 2017.

### Life members

Life members need to fill in a form:

- ❖ either as an individual paying the membership fee or as a life member, in which case there is provision on the form for you to make a donation should you wish.
- ❖ We need to know of any changes to personal details and your helper dates as applicable.
- ❖ Life members will need to pay for a posted Vetrin – see below.

### How to fill in the form

1. On opening the form, choose from metro, country or life member.
2. If you are a current member answer “yes” to that question.

You will then be asked to input your membership number – if you do not know, look at the member list on the website – home page – our club tab – membership tab.

If your name is not there you are not a current member (anyone who has not renewed by 31<sup>st</sup> January is not a current member).

3. If you are a new member or a lapsed member answer “no”.
4. Helper list:
  - ❖ Select 2 helper dates - look at the 2018 Sunday run programme first **or**
  - ❖ Tick T/F - if you only enter Tuesday and Thursday events **or**
  - ❖ Tick “exempt” – eg for members who do allocated jobs and have already been exempted  
Country members who can only manage to attend 1 or 2 runs a year

5. Vetrin magazine:

You will be asked if you want Vetrin posted – if you select yes, you should add Vetrin to the cart later in the form under merchandise. \$15 will automatically be added to the final total.
