

## **MAWA AGM 2020**

### **Secretary's Report**

In July we reached over 700 members with an influx of new members after re-opening since COVID-19 restrictions eased. We give a big welcome to all our new members and hope everyone will renew in October for an exciting year ahead.

It has certainly been a very challenging year for everyone having to cope individually with the collapse of normal events and cancellation of championships at home and abroad.

In 2021 if everything goes to plan the AMA Championships will be in Canberra on 5-8 March and the Australian Masters Games are planned to be held in Perth on 9-16 October. The Oceania Championships have been postponed to January 2022 and World events may still be in doubt for some time to come.

As always the club has been strongly supported by our members and we thank all our wonderful volunteers. A big thank you to all the hard working committee for all their efforts over the last year and best wishes to the new committee going forward.

Delia Baldock
