## Paying WHO

THANKS to the people who downloaded my book – *Pirates of Fleet Street* – I have been able to make a small donation to the World Health Fund's Covid-19 fighting fund. I know that some club members, discriminating readers who appreciate and enjoy high-quality literature, are among them, so thank-you all! My royalties were not enough to make up for Trump's petulant withdrawal of funding to the WHO, but at a time like this every little helps.

Special mention and my personal thanks go to the club member, who insisted on remaining anonymous while sending me a personal cash donation for the WHO. That very kind and considerate act more than matched the book royalties!

## Vetrun June

A COUPLE of members have emailed kind words about the current Vetrun June edition and Vetrun Extra. More thanks to them; it's always encouraging to receive feedback especially when it's positive!

Please help to keep Vetrun Extra developing my sending in your contributions.
