RULES OF COMPETITION

Competition Rules: Competition will be conducted under World Athletics, WMA and AMA rules subject to any special rules specified by the MAWA organising committee. Entry signifies that each competitor will abide by the rules.

Adverse Conditions: In the advent of adverse conditions, the Meet Manager has the authority to halt, delay or cancel affected events.

Age Groups: Age groups for competition are in 5-year groupings, as specified in the entry form. The age group for a competitor is determined by his/her age on the 19 March, except for events prior to that which will be age on the day. If numbers are small, age groups may be combined, at the discretion of the organizers, for purposes of competition.

There is no separate category for Para-athletes, however they are allowed to compete in any event, provided that does not lead to unreasonable disruption of the programme. For example, it is unlikely that seated throws could be accommodated.

Uniform/Numbers: MAWA uniform must be worn by all MAWA competitors; other club entries must wear that club's uniform. Visitors may wear any suitable kit. Bib numbers to be worn front and back except for field events, where only one number is required.

Track events:

- Events of 1500m and above will be massed starts.
- Starting blocks and crouch starts are not compulsory, neither is it compulsory to have both hands in contact with the track.
- Personal starting blocks may not be used – blocks will be provided.
- Two false starts for an individual cause disqualification for track events (including pentathlon events).
- **HIP NUMBERS:** All track competitors (except walkers) need to wear a hip number on the **LEFT** hip.
These are to be collected from the table next to registration and will need to be collected for **each event entered**.

Field events

- Competitors will compete in the order shown on the start sheet.
- No competitor will be allowed to enter the competition after the commencement of the fourth round. Competitors who need to leave during an event may compete out of turn for that round. On return athletes may only continue at the round in progress (but may do so in that round even if their normal position in the round has passed).
- Personal throwing equipment must have already been measured officially prior to competition – at least an hour before check in time - and must be made available to all competitors for general use during the event.
- Two hands must be used to throw the hammer and weight.
- The WMA 60 second rule will apply for all throws and jumps. This means that a competitor, once called for their throw or jump, will have 60 seconds to start the attempt. If time runs out, the competitor will have a “no throw/jump”. The 60 seconds does not start until the competitor has taken up their preferred implement.

Honest effort

An athlete is expected to compete honestly and with bona fide effort.

Reporting

ALL competitors must report to the marshal at the start point **10 minutes** before the scheduled starting time of the event. Any athlete who has a clash between track and field events must report to the field event judge first to confirm their intention to compete. Track events take precedence over field.

Arena Safety

- Only officials and competitors are allowed on the infield. Competitors and officials must move around the outside of the track when proceeding from one side of the ground to the other.
- Any competitor or person approaching the throws area shall approach from behind the sector area or cage if one is being used.

Spikes

The only spikes permitted for use on the track are of the [Christmas Tree](#) and [Pyramid](#) shape variety. The composition of the spike, ie ceramic or metal is irrelevant.

- Track spikes must not exceed 7mm
- Field spikes must not exceed 9mm except for javelin and high jump which must not exceed 11mm

Shoes

Any shoe used in competition must have a sole with a maximum thickness of no more than 40mm, except any shoe that contains spikes which must have a sole with a maximum thickness of no more than 30mm.

Protests: Any protest concerning an athlete's eligibility to compete must be lodged with the referee before the start of the relevant event. If the matter is not promptly resolved, the athlete in question shall be allowed to compete "under protest" pending subsequent decision. Any protest arising from competition shall be made to the referee not later than 30 minutes after the result of the relevant event has been announced. Any appeal against the referee's decision must be in writing to the Jury of Appeal and accompanied by a deposit of \$50.00 which will be forfeited if the appeal is without substance.

MEDICAL / PHYSIO INFORMATION

First Aid/Medical

Emergency first aid will be provided.

Massage will be provided by qualified remedial massage therapist Tanya Brabin from Fitlife Sports Massage during competition on 28 and 29 March.

Cost: \$20 for 15 minutes.

It will be possible to book 2-3 slots if you need further assessment / treatment.

PREVIOUS EVENTS:

MAWA would like to thank Athletics West for facilitating the decathlon, the heptathlon and pole vault events which have already taken place
