Mar 31)	T&F Champs			
Apr 1)			Coker Park	1pm Comm.

All Normal Sunday runs start 8am as usual.

Long Weekends. Details of the March and September long weekends are shown later in the newsletter.

NEW MEMBERS. In future we will only be publishing the names and dates of birth of new members instead of the usual address and tel No's. This has come about because some new members have been pestered by someone claiming to be a member (he isn't incidentally) and trying to sell them insurance. The committee regret that this has happened and hope that there will be no recurrence. We would also like to apologise to anyone who had it happen to them.

CLUB T/SHIRTS. For those who ordered them in the past and had to wait a long time before receiving them the reason is that a certain number had to be ordered before we could get them made. The committee has decided that in future we will hold a small stock on hand, these will be available from the treasurer. There will however only be one style available. This will be the one that has proved most popular, which is the one with a collar and three stud fastening. There is an order form on the back of the newsletter.

A.G.M. Yes it's getting to be that time of year again. The A.G.M. this year will be held on the 4th April and will start at 7pm. The venue has yet to be confirmed but it is hoped that we can have the same as last year. Confirmation of the venue will be published in next months newsletter. All positions are vacant, however the following committee members are willing to stand again, if they are proposed, Brian Foley, Peggy McLiver, Mike Rhodes, Bill Crellin, As the present editor will be away for three editions of the newsletter during the next year, it

would be better that there be a new editor also, it also puts a new line thought and ideas into the club's magazine.

COUNTRY MEMBERS AND MEMBERS OF OTHER A.A.W.A. CLUBS. If there are any other Veteran age members of your clubs could you please let them know about the Veterans State Track & Field Championships. Entry forms can be obtained from the editor by ringing 387 6438. ENTRIES CLOSE 4.00pm Monday, 12th MARCH 1990

Dear Friends and Fellow Runners,

I recently introduced a colleague to the club who was delighted not only to receive her first Vetrun but also to see her name listed as a new entrant.

Yesterday she informed me that her pleasure had been somewhat dampened as she had received a phone call from someone claiming to be a member and offering her discount on an insurance policy and other similar deals.

I have been a member of the club for twelve years. One of the many reasons (apart from running) that I continue to remain in the club is because of the nature of the social interaction and friendship which is quite different from work or other areas of existence. Despite my time in the club I have little knowledge of most members professions or personal lives and enjoy very much our common interests in running, planning running and talking about running.

I also know that these are the reasons why most others find pleasure in club membership.

Maybe I am old fashioned, out of date or even mistaken but I am certain if the club is being used to tout or further business interests, especially with new, unsuspecting members who simply wish to further their enjoyment of athletic activities.

Comments from others would be welcome.

Embarrassed,

John Spencer.

Dear Sir,

I wish to express my displeasure at being contacted by a person (claiming to be a member of this club) for the purpose of increasing their business interests. My name and telephone number had been obtained from the 'Vetrun'.

I do not believe that this is appropriate use of information provided by the club.

Yours Sincerely,

Barbara Dearden.

These letters were discussed at committee, apologies have been offered and in future addresses and telephone numbers will not be published.

WE EXTEND A WARM WELCOME TO THE FOLLOWING NEW MEMBERS:-

Anne Shaw W40 01/Dec/47; John L Slattery M45 11/May/41; Ken M Post M35

MARATHON CLUB CHALLENGE SERIES.

Congratulations to Nora and Mike Berry on winning their respective divisions in the above event. There was also a T Foster who won a division if it was you Terry, congratulations also.

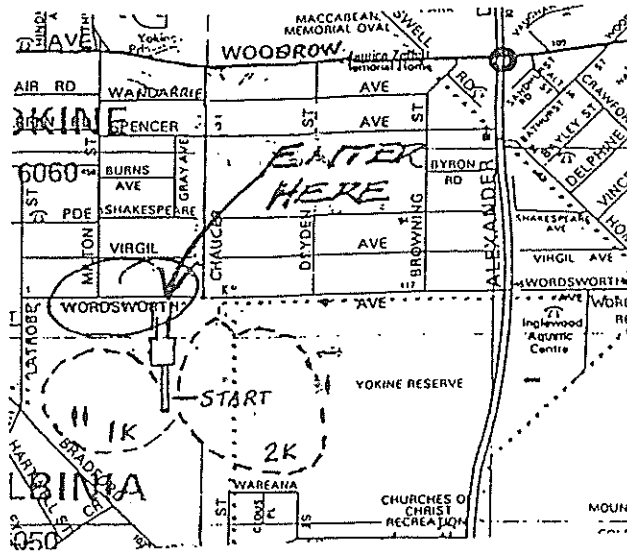

DEADLY MEDLEY RELAY.

A suggestion from the editor that the walkers form teams of two and compete amongst ourselves, doing the same course as the runners. This would mean that we would take approximately the same time as the runners (they have four in a team). If we teamed the fastest and slowest together and worked towards the middle we should end up with fairly even teams. We could go for a walk after the event for those who haven't had enough. Comments please. (Each person to walk twice; same as the runners run twice).

LAKE LESCHENAULTIA RUN.

BOXING DAY RUN. Lake Leschenaultia 26th December 1989.

Phew!! A hot one for the last Lake Leschenaultia run, (on this course) 36° and no wind made for a hot dusty run. 16 entries toed the start line and at the OFF! three ladies turned round and wiked back to the B.B.Q. area (they lid a shorter run around the lake), of the remainder 8 ran the full 8km, 4 walked the "hillless" 5.3km whilst Shane Cameron ran it.

First to the bottom of the hill was Don Caplin in 19.47 followed by Derek Hoye in 20.33 and Mike Khan in 21.20. These positions stayed the same to the finish.

As mentioned this will be the last Lake Leschenaultia run which I will be organising. My thanks to all those runners and helpers over the past 10 years.

The course is now getting too busy with traffic and the dust is like something out of 'Sands of the Desert'.

I believe that next year there may be a new organiser and the run will be around the Lake on a 3km circuit.

Once again many thanks and a Happy New Year for 1990.

Barrie Robinson

**REPORT ON THE HALF-YEARLY MEETING OF
THE A.A.V.A.C. COUNCIL
by Bob Schickert**

This meeting was held in Melbourne on 25-26 November 1989 and was attended by 3 OLD, 1 ACT, 1 TAS, 3 VIC, 1 WA, and 2 SA delegates. Main items, with brief notes, were:

- *The next World Vets Championships at Turku, Finland, and the sending of 'scouts' to test accommodation facilities etc.*

The scouts will be John May, President of A.A.V.A., and a Traveland tour organiser.

Their report which will include accommodation options and facilities, instalment payment arrangements, etc., will be available and circulated to members by April. At this stage, full of enthusiasm after Eugene, about 40 people have registered with Traveland for Turku. Traveland will be providing 15 complimentary tickets, to be used as follows: 2 for the 'scouts' trip noted above; 2 for two tour guides to accompany the Australian contingent to Turku in 1991; 4 for A.A.V.A.C. appointees (see note on Team leaders); 1 for media coverage of the Turku Championships; and 7 which A.A.V.A.C. will use for Fund Raising efforts such as tickets to be won in raffles, prior to Turku.

The trend to bigger and bigger Championships and higher levels of top performances were noted. Fares to Turku are expected to be about \$2,800. No-frills accommodation and little spoken English is expected. Turku will have three venues.

- *Traveland: its role in the Eugene World Vets Championships; as a contracted sponsor over the next 3 years; and plans for Turku.*

The Turku plans were reasonable, but since they are not finalised yet, no details are presented here.

- *Report on Eugene and the W.A.V.A. meeting there, presented by A.A.V.A.C. Secretary, Stan Perkins (QLD).*

Stan emphasised the problems that arose in communication; in relay selection; in not having a Team Manager or leader; in not having a Womens' Team Manager or leader; and the sectional interests at work behind some of the W.A.V.A. rule changes. He proposed that in future A.A.V.A.C. have a Team Manager and Manageress for all overseas Championships with the duties of paying competition fees, attending meetings, civic receptions, 'next venue' presentations, and attending to protests and accommodation problems. Stan also felt that where the host country had few English-speaking people, a Team Medical Officer should be appointed.

- *The interim Management Board of A.A.V.A.C., as the new constitution and incorporated status become a reality.*

Our Vice President, Brian Foley is an inaugural Board member. The Board would, After April 1991, have 4 to 6 members, responsible for the following areas:

- Competition and Championships
- Sponsorship and Financial Affairs
- Public relations and Information
- Promotion and Development

- Technical Affairs
- Merchandising (uniforms, hats, bags, patches, clothing)

as well as for the day-to-day running of W.A.V.A. affairs. They would meet twice a year, and the Easter Meeting of A.A.V.A.C. at each National Championship would become an AGM for all members to attend should they wish.

- *A National Register of Veteran Athletic Club members, and an annual membership card, to be used for verification of financial membership at Championship events, for travel and other discount claims and an aid to inter-state participation in Veteran events, etc.*

Traveland is to sponsor production of the membership cards. The cards would apply for one year only, would have name, age group and a registration number on them, and would indicate financial membership of a Veterans Athletic Club for the current year. The registration numbers would greatly aid the organisers of the National Championships.

On behalf of our Club, the idea of releasing addresses as well as names to Traveland was strongly rejected by me. I would be interested to hear your thoughts.

- *Certificates for National and World Record Holders.*

These people at times have no medal, no record of any sort, and they most certainly deserve some recognition. Thanks to Royce Foley the National Records Statistician, they will now receive a certificate acknowledging their performance. He will start with the 1987 World Championships, work forward in time, then back in time (the later possibly at the request of the record holders themselves).

- *Desire to produce a more acceptable and long-term uniform for Australian Vets to use in Overseas Championships.*

All other countries, save Australia and America, had standard uniforms at Eugene. Australia had a motley collection of green and gold variations, with one competitor who superstitiously wore his own elderly blue uniform.

- *Sport and Recreation Department Assistance for Veteran Athletes*

It was noted that Sport and Recreation Departments in some States do provide some assistance to Veteran Athletes who have high World ranking, such as training, shoes, and travelling expenses.

- *Victorian Masters Games 17-25 November, 1989*

The Victorian Veterans Athletic Club conducted the Athletics programme for the Victorian Masters Games over the 17-25 November period. This resulted from an official request by the Games organisers for help in that area. There is a strong possibility that the Athletics component of the Victorian Masters Games will be called Veteran Athletics.

- *Veteran Athlete Newspaper*

Another attempt to have the Veteran Athlete newspaper as the official publication/newsletter for A.A.V.A.C. emphasised the great need for a nation-wide communication medium. The existence of rumours about Traveland arrangements for Eugene was noted, and explanations to queries raised were given, but a newsletter could have detailed the arrangements as they were made.

FIFTH OCEANIA GAMES
AUCKLAND, NEW ZEALAND, 2-6 NOVEMBER 1990

Australia has re-joined the Oceania region of the W.A.V.A. world 'sub-division', and this may encourage Australian Vets to attend the 5th Oceania Games in Auckland. Auckland is offering hotel, motel and 'home stay' or billet accommodation. The organisers promise twin tracks (used for the 1990 Commonwealth Games), good competition and catering, and a full range of track and field events, plus a very scenic cross-country and a Pentathlon. The Officials from the Commonwealth Games have offered their services. A full programme of sightseeing tours will be offered on non-competition days, together with 'Happy Hours' to promote 'mix and mingle' activity amongst the competitors. Entry forms will be available soon. Travel costs were tentatively stated as \$480.

The 6th Oceania Games will be held on Norfolk Island.

VET. GUINEA PIGS NEEDED!

Male subjects over 45 are required for a research project sponsored by the National Heart Foundation and carried out under the auspices of the Dept. of Microbiology, University of W.A.

The research: Effect of exercise on the immune system of veteran runners

Sessions: One of about 90 minutes

Test: Treadmill run - heartrate, gas and blood analysis

Venue: Human Movement Centre, University of W.A.

1989 ROAD WALKING CHAMPIONSHIPS.

The events chosen for the Championships were:- 15km; 21.1km; 10km;& 7.5km - a total distance of 53.6km. To qualify it was necessary to compete in all events, only two members completed the total distance, Margaret Stone and Jack Collins. Being our first effort, possibly some members were not fully aware of the conditions - this year the full programme will be included in the club fixture list, with reminders to be published in the 'Vetrun'.

Dick Horsley.

RESULTS:-

1. Margaret Stone W45 5hr 58min 47sec Average time 6min 41sec per km.

24 HOUR RELAY (Part 1. to be continued next month)

1989

Last year, Joan Pellier tried to raise some support from the membership for a 24 Hour Relay event. While the ladies were keen, little interest was shown by the men so the idea was dropped.

1979

Ten years before, the Club was looking to some way of adding to the celebrations of the 150th anniversary of the founding of the Swan River Colony. A South Australian Veterans Club Men Over 40 team had set a National record for this relay in April, 1977, so it was decided to have a crack at it.

The basic rules of the relay are that teams number ten members, each of whom runs one mile in turn. The running order must be maintained throughout and members missing or not completing a leg must be withdrawn. Incomplete miles, except on the last leg, and distance run in excess of a mile do not count towards the distance covered.

The event was held at the Gerry Archer Athletic Track, Belmont, and started at 6 pm on Friday; September 28, 1979. After some late withdrawals, 20 runners were found to complete two teams. The teams and their results were:

"A" Team - Men Over 40.

Don Caplin	David Carr	Maurice Smith	Derek Hoye
Bob Sammells	Mike Berry	Barrie Robinson	Jim Martin
Denys Butcher	John Rowland		

Distance: 244 miles 1280 yards, Australian Veterans Record.

"B" Team - Men Over 35.

Tony O'Hare	Hugh Kirkman	Derek Crowther	Terry Manford
Gerry Noordyk	Bernie Oliver	Bob Johnstone	Winston Hough
Derek Walker	Frank Usher		

Distance: 232 miles 1742 yards.

The "B" Team was not eligible for any records and ran to provide competition only. Nevertheless they led initially when Tony O'Hare stamped his presence on the event with his opening mile of 4min 50sec. The team was also reduced to nine when Derek Walker withdrew with injury after running 20 miles.

The "A" Team never lost any runners but it did lose some distance when a lap-scoring error forced Barrie Robinson to run five laps on one occasion for his mile.

The event was unknown territory for both teams and they performed incredibly well under the circumstances. The support received from other members and their families was tremendous and a new record was a fitting result to a great Club effort.

1981

There was no stopping the Club now and two years later the event was staged again with Belmont the venue as before.

The event was due to start at 2 pm on Saturday, October 17, 1981. This time the ladies were having a go as well and their team was coolly and calmly waiting for the "gun".

Not so the men. Non-arrivals on both teams led to reserves Richard Spark and Bob Sammells joining the "A" team, while Brian Danby, Barrie

Thomsett, Jeff Whittam and (walker) Don Stone, who were all rostered as officials, joined the "B". Derek Walker and John Pellier also agreed to run at the last minute.

Colin Leman stepped in to organise and obtain more officials and the event started just 17 minutes behind schedule.

The results were beyond everyone's expectations.

Ladies Over 35 Team.

Jo Stone	Lorna Lauchlan	Joan Pellier	Marian Peterson
Bev Wall	Dorothy Whittam	Jan Fletcher	Kath Holland
Ann Deanus	Margaret Warren		

Distance: 185 miles 1271 yards, World Veterans Record.

"A" Team - Men Over 40.

Ted Maslen	Maurice Johnston	John Davies	Charlie Spare
Maurice Smith	Barrie Robinson	Bill Monks	John Rowland
Bob Sammells	Richard Spark		

Distance: 250 miles 819 yards, Australian Veterans Record.

"B" Team - Men's Composite

Derek Walker	Morris Warren	Aub Davie	Allen Tyson
Ray Lawrence	John Pellier	Don Stone	Jeff Whittam
Brian Danby	Barrie Thomsett		

Distance: 219 miles 1670 yards.

The performance of all three teams was outstanding. The ladies had their record and the men had improved on theirs. The "B" Team performance, too, was something to be remembered. Having lost three runners through injury during the event, six completed 27 miles and the seventh was on his 27th when Dick Horsley fired the gun to signal the end of the 24 hours.

In recognition of the men's and women's records, Dunlop presented trophies (shields) that were to be held by the holders of the Australian Men's and Women's Veterans records for the Relay.

STATE RECORDS

Kevin Martin overcame his embarrassment of having to run a solo 110m Hurdles event before the grandstand at Perry Lakes last month to improve on his own record by 0.2 seconds. The same day, Peggy McLiv added the 1500m record to her 800m one. In doing so she eclipsed Joan Pellier's 5m 34s time that had stood for over five years.

Another long-standing record is Cliff Bould's Age 54 World Record for the One Hour Run. Cliff set several World Records many years ago and this one remains one of the oldest in the book. It was set on the old 440 yard track at McGillivray Oval and his distance was measured at 10 miles 385 yards. The metric conversion followed when Veterans records were being standardised.

The recent spate of One Mile Walk records sent Dick Horsley checking his diaries. Dick is the only person to have won AAWA titles at both The One Mile Run and the One Mile Walk, a unique double that, with metrication, will never be repeated. The first leg of the "double" was set in the fairly distant past; the second was the 7m 55s performance below.

ESTIMATE OWN TIME RUNS:-

These will be held on a day when morning tea is provided, so that people will wait around for the results to be decided. They will be marked with a 'T' on the programme. No watches are to be used (or worn) during the run. There will be a clock at the finish, facing the opposite way so you cannot gauge your finish to coincide with your estimated time, so you can check your time after you have finished.

Times can be estimated for the long, short or walk course, whichever you are doing.

CHRISTMAS GIFT RUN McCALLUM PARK 17.12.89 (5 Km)

An unusually cool December day and, even more unusual, no wind.

Runners were handicapped according to age, similar to a method devised by Runners' World Magazine for a 10 k event.

John Gilmour elected to give away 10 years but still looked formidable. There were 85 starters including 12 walkers who started with the first runner.

HANDICAPS:	W60	M75	Zero		
	W55	M70	1 m	45	sec
	W50	M65	3 m	30	"
	W45	M60	5 m	15	"
	W40	M55	7 m	-	
	W35	M50	8 m	45	"
	W30	M45	10 m	30	"
		M40	12 m	15	"
		M35	14 m	-	

Congratulations to John and those who put in a big effort in this event
Thanks to all helpers.

In the U.S. where "National Runners News" is campaigning for more consideration for older runners, there is big prize money available. The leading runner in an age graded series has amassed \$69,000. In the Twin Cities marathon a W65 received \$6000 for finishing in 4 hrs 13 min.

KINGS PARK JOG.

31st December 1989.

It was pleasing to see such a good turnout for the inaugural Kings Park Jog with 106 starters including walkers, for the 5km and 10km courses.

The 5km winners were Peter Airey in 20.18 and Paula Szpak in 22.10. First home in the 10km was Steve Mitchell (vis) in 37.05 whilst first club member was Hugh Kirkman in 2nd place in 27.51. First female Vet was Phyllis Farrell in 41.58.

A big thank you to all who helped on the day, with a special thanks for Sue and Brian Danby for their help.

We hope you all enjoyed the course and look forward to an even better race next year.

RESULTS:- 10km.

Pat & Tom Savin.

LONG WEEKEND RUNNING/WALKING CAMPS REPORT

Two long weekend camps will be conducted this year. The first camp will be held at Eaton (near Australind) over the March long weekend (2/5 March) and the second will be held on Rottnest Island during the October long weekend (28 September/2 October). Details follow.

EATON RUNNING/WALKING CAMP - FRIDAY 2ND MARCH TO MONDAY 5 MARCH 1990

Eaton Scout camp is the venue and is located on the south side of the Collie River. Turn off the main road south of Australind and head for Eaton. Turn left just over the bridge at the river and continue on to the camp which is not far down the road on your left, a kilometre or two.

Accommodation consists of single beds in dormitory style rooms. You must provide your own bed linen. You are permitted to put up your own tent or park your caravan/camper.

Runs and walks of varying distances will be conducted over the weekend. It is usual to have a hash run on one of the evenings in conjunction with the Bunbury Running Club.

Facilities include a good kitchen with fridges and freezers as well as a barbeque area. (It is advisable to bring your own esky as well, due to the heavy demands made on the fridges by those attending).

We will have the use of canoes over the weekend. You also may wish to fish, swim, go crabbing or just take life easy. The social side of the weekend is always enjoyable. Come along and have a really good weekend with your fellow runners and walkers.

Costs are just \$12.00 per head for the weekend. We have resisted the trends towards inflation and have held the costs to last years price. Fill out the form below and forward to the Secretary by February 18th to ensure your place at Eaton.

P.S. \$12.00 covers accommodation for the weekend. You can arrive Friday evening, Saturday or Sunday or whenever!.

ROTTNEST ISLAND LONG WEEKEND CAMP - 28 SEPTEMBER TO 2 OCTOBER

to

Details are still/be finalised for this weekend. However to wet your appetite and get you to make positive plans for the weekend here are some details. Cost will be \$6.00 per person per night for cottage-style accommodation, meals are \$4.00 each (mandatory to each person staying with us), the ferry will cost about \$18.00 return (instead of the usual \$25.00). Runs will be organised including a race on the Sunday. We will be staying at Kingston Barracks. More details and booking form next issue.
Rob Davis, Secretary

JARRAH TO BACH

Wood is my flesh,
 My roots are the arms
 That caress the Earth.
 My branches dance in harmony
 With life's own mystery
 This sigh of the sun caught
 So briefly in the temple of my leaves
 I,
 This wooden finger
 God's own signature,
 Protect me.

By Tony Tripp.

Life beyond the big 50

It's not just the Hollywood greats who are getting more out of life in their fifties and beyond these days. Now everyone is waking up to the idea that the best may yet to be.

6/12 hour Run. 4th March 1990.

If anyone is interested in competing in this run, details can be obtained from:- Brian Kennedy, 123, Mininup Road, Bunbury. 6230.
