

MAWA AGM 2021

Secretary's Report

It has been a big learning curve for me this year and I want to thank Delia for her help, Richard for his patience and the Committee for their support during the year.

In my communications with visitors and prospective members I often hear them say what a welcoming and friendly club we are and it is a credit to us all that this is the general feeling in our Club. No wonder we continue to grow.

We don't have paid helpers in our Club. Everyone who does anything is a volunteer doing their best for the good of the Club. I want to say a big thank you to all those volunteers. Without you the Club would be the poorer.

I would like to say a particular thank you to the Results Team. What an amazing job they do. Arrive early on a Sunday morning, assist those who want to start at an earlier time, patiently help those who have lost or forgotten their tag and still produce the results of all the runs and walks from that morning by the end of the day. We thank you.

I look forward to another year working with all our many volunteers and where, despite the many complications such as Covid related issues, we continue to grow stronger as a Club.
