

Secretary's Report.

It has been another busy year all the while thinking we had seen the last of Covid restrictions but just when we thought we were OK it has loomed its head again. We have managed to continue with little interruption apart from our Morning Teas which have been greatly missed. This decision was taken to protect our members who are not all young, fit and healthy. Some are returning after sickness or surgery and some, who are in their senior years, can be more vulnerable to infection.

Once again it has been our volunteers who have earned our biggest thanks. They continue to do a wonderful job and we are very grateful to them. There are too many to mention but our gratitude goes to each and every one of them. We couldn't do it without you.

And finally, the compliments continue to be received thanking us for being a welcoming, friendly and encouraging Club. So thank you to you all for your part in achieving this.

Thank you

Gillian Young
